Narayan Bhandari

Objective: -

To be associated with an organization which can provide me with a dynamic work sphere with committed and dedicated people to extract my inherent skills as a professional and help me explore myself fully, use and develop my aptitude to further the organization's objectives and also attain my career targets in the progress.

Profile Summary: -

- I'm a natural problem solver with a knack for design and integration. I'm skilled in Java, SQL, C, Python, and JavaScript. I thrive on starting and completing new projects and enjoy translating business needs into technical solutions. I'm eager to kickstart my career as an entry-level software engineer at a reputable tech-focused company.
- Skilled in hardware design, troubleshooting, and testing.
- Through lines of code, I sculpt solutions to shape the future.
